D.O.No. GB-15/1/2019-Gender Budgeting

Date: 23rd December 2024

Dear Sir,

As you are aware the Gender Budget Statement (Statement 13) prepared by the Ministry of Finance is an important document to ascertain the fund flow to women. It serves as a crucial reporting mechanism for the Ministries/Departments to assess their schemes from a gender perspective and present information regarding budget allocations for women and girls under the specific schemes. Para 13.6 in the Budget Circular for 2025-26 issued by the Department of Economic Affairs (DEA) vide O.M. dated 17.9.2024 mandates all the Ministries and Departments to specifically report allocations for women and girls in the Gender Budget Statement (Statement 13 of the Expenditure Profile) in the prescribed format.

2. During FY 2024-25, a total of 43 Ministries/Departments/UTs have reported an allocation of Rs. 3.27 lakh crore in the Gender Budget Statement which is an increase of 37.3% over the allocation of Rs. 2.38 lakh crore in FY 2023-24. It is noted that your Ministry has reported allocation in the GBS of FY 2024-25 for the first time which has contributed significantly to the overall increase in the GBS allocation.

3. As you will agree that higher Gender Budget allocation is expected to accelerate the process of women-led development and improve the overall welfare of women. It is hoped that your Ministry will continue to report allocation in the GBS for FY 2025-26. The Budget/Programme/Nodal Divisions may be advised to undertake requisite steps for preparing the Gender Budget Statement as part of budget preparation for FY 2025-26.

D.O.No. GB-15/1/2019-Gender Budgeting

Date: 23rd December 2024

Dear Sir,

As you are aware the Gender Budget Statement (Statement 13) prepared by the Ministry of Finance is an important document to ascertain the fund flow to women. It serves as a crucial reporting mechanism for the Ministries/Departments to assess their schemes from a gender perspective and present information regarding budget allocations for women and girls under the specific schemes. Para 13.6 in the Budget Circular for 2025-26 issued by the Department of Economic Affairs (DEA) vide O.M. dated 17.9.2024 mandates all the Ministries and Departments to specifically report allocations for women and girls in the Gender Budget Statement (Statement 13 of the Expenditure Profile) in the prescribed format.

2. During FY 2024-25, a total of 43 Ministries/Departments/UTs have reported an allocation of Rs. 3.27 lakh crore in the Gender Budget Statement which is an increase of 37.3% over the allocation of Rs. 2.38 lakh crore in FY 2023-24. The allocation reported by your Department has contributed significantly to the overall increase in the GBS allocation.

3. As you will agree that higher Gender Budget allocation is expected to accelerate the process of women-led development and improve the overall welfare of women. It is hoped that your Department will continue to report allocation in the GBS for FY 2025-26. The Budget/Programme/Nodal Divisions may be advised to undertake requisite steps for preparing the Gender Budget Statement as part of budget preparation for FY 2025-26.
